

## TRS MIDI IN

TRS B from beatstep

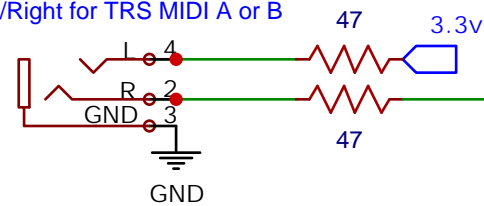

## TRS MIDI OUT 1

Swap Left/Right for TRS MIDI A or B

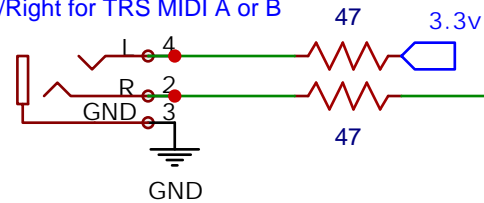

## TRS MIDI OUT 2

Swap Left/Right for TRS MIDI A or B

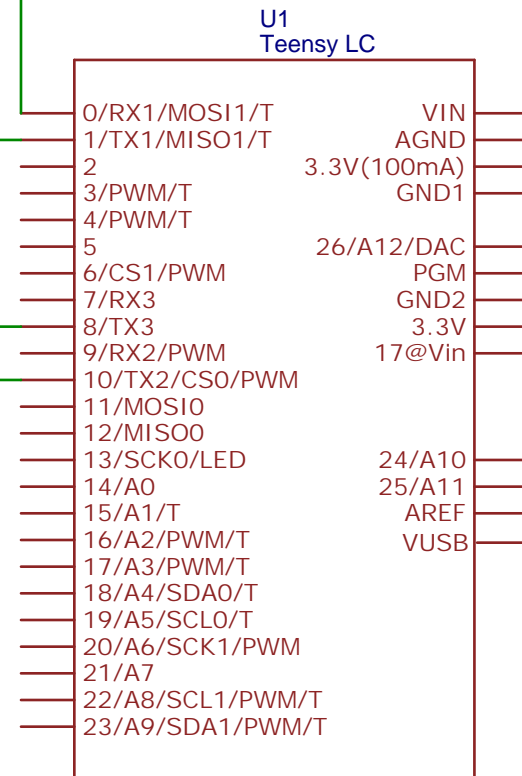

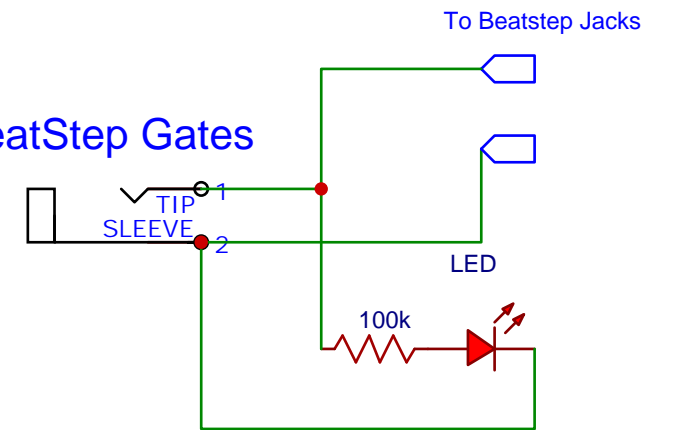

## TRS MIDI OUT 3

Swap Left/Right for TRS MIDI A or B

## BeatStep Gates

5v and ground come from eurorack 5v pin and ground  
You could use a 7805 to get +5v from +12v if you do not have a 5v rail in your system
